

WHY J.C. TAYLOR?

J.C. Taylor Insurance has been protecting some of the best examples of automotive craftsmanship for nearly fifty years.

We've been supporting members of regional and national clubs for decades. As a near permanent fixture at many shows nationwide, we've been able to meet most of our customers face to face.

Our customers have always come first. That's why we've provided **Agreed Value Coverage** on every policy since the beginning of our program. We've also earned a reputation for having some of the best claims service in the business: fast, friendly, and fair. No hassles, just prompt payment for your claim.

THE BASICS: "NUTS AND BOLTS"

Since J.C. Taylor focuses only on specialty automobiles, we can provide better coverage for your collector vehicle, but at a price much lower than your regular auto insurance carrier can offer. We know that you want to keep your vehicle in great shape; and we reward you with a great rate.

Because we understand the unique value ascribed to collectible autos, we provide **Agreed Value Coverage**. That means that you and J.C. Taylor establish the value of your particular vehicle based on the current market, history, quality of restoration and overall condition. That's the value we list on your policy, and in the event of a total loss, that's the amount we pay on your claim.

We have high limits of liability available including coverage for uninsured motorists and medical expenses. To best protect your vehicle, comprehensive (fire, theft, etc.) and collision coverage is included on all policies.

AM I ELIGIBLE?

Probably. But we'll need to consider the following first:

- ✓ Is your vehicle in restored, or good original condition?
- ✓ Is your vehicle stored in a fully enclosed garage?
- ✓ Do you intend to use the vehicle primarily for shows, parades and other hobby related activities?
- ✓ Do you have a reasonably clean driving record?
- ✓ Do you have other modern vehicles for your family's daily transportation needs?

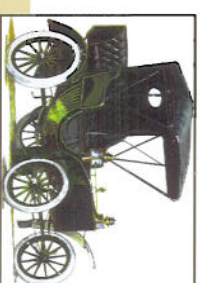

If you can answer "yes" to these questions, you're likely eligible for coverage from J.C. Taylor; congratulations! If you've answered "no" to any of these, please feel free to call us to discuss your options with one of our representatives. We may still be able to help you.

WHAT NEXT?

The easiest way to find out how much you could be saving is to visit our website, www.JCTaylor.com. There you can get a detailed quote, and print the application packet.

If you'd prefer to use the phone, call one of our toll free numbers, 1.888.ANTIQUE for antique vehicles, and 1.877.HOTRODS for modified and custom vehicles. A quote and application packet will then be prepared and mailed to you. If you have more than five vehicles, please call to speak with one of our staff.

Once you've completed and signed the necessary forms, send them to us along with your payment, one or two photos of your vehicle, and any other requested information. Be sure to submit everything together, as this will greatly speed processing. Should you have any questions or concerns during the process, don't hesitate to call or send us an e-mail!
